

FRIENDLY REMINDERS FROM YOUR TASTING ROOM TEAM

We love creating a relaxing and enjoyable experience for everyone! To help us keep things running smoothly, please take a quick peek at a few of our house guidelines:

BOTTLE SERVICE

- Any bottles purchased for onsite enjoyment must be recorked before closing.
- We are happy to continue serving wine by the glass until closing, but open bottles cannot be poured after that time.

EVENING WIND DOWN

- Wine service wraps up 15 minutes prior to closing.
- During this time, guests are encouraged to close any open tabs, use the restroom, recork bottles, and/or purchase final glasses before end of service.
- Guests are welcome to relax for up to 30 minutes after closing, but no additional service will be available once tasting room has closed.

FOOD ORDERS

- Food orders placed 30 minutes before closing will be prepared to go. This helps our kitchen team wrap up for the evening while still ensuring you enjoy your meal.

AGE POLICY

- Inside tasting room is 21+
- Minors are welcome to join their group on our outdoor patios only.
- All guests must present valid ID before purchasing or tasting wine. We ID everyone, regardless of age or appearance.

Patio Policy

- Dogs are welcome on our outdoor patios only.
